- There's also a parents' room downstairs if you want to watch the service with your little ones who need some space to move
- There are activity bags in the foyer for young children.

Weekly Prayer Sheet

February 1st, 2026

Please be in prayer for the following ministries, people, and needs throughout the week.

Missions: **Lorn Apel:** He is still teaching math for the ICSB in Hungary. Pray for his spinal issues and that his daily stretches and massage therapy will effectively stop the pain. Pray that the 2nd grade position would be filled

Bruce Henne: Pray for his lung cancer numbers to stay low, and that treatment side effects would be minimal.

Katie (Donna Chapp's DIL's sister): Her cancer numbers are not good but they are thankfully maintaining and not increasing. She is taking a maintenance dose of chemo and will continue to do so for a long while. She is doing okay but pray for resilience

Dani & Solace Hanson: We praise God that Solace and everyone is now home! This past Tues. Solace weighted in at 8lbs 5oz. He was in the NICU for 88 days so continue praying for a smooth transition and less stress with all the new changes. Dani is able to manage her blood pressure with meds and is learning her limits.

Nicole Smith: She had a hysterectomy January 22nd and is doing well. Please pray that recovery stays good and that no infections would occur. If led, there's a meal train: <http://www.takethemameal.com/ASGD2497>

Persecuted Believers: Pray against the rise of persecuted Christians in the world, especially in Nigeria.
